

```
1 // Stacks blocks (#) on top of eachother
2 #include <cs50.h>
3 #include <stdio.h>
4
5 int main(void)
6 {
7     // Get the height from the user
8     int height;
9     do
10     {
11         height = get_int("Height: ");
12     }
13     while (height < 0);
14
15     // Print the blocks stacked
16     for (int i = 0; i < height; i++)
17     {
18         printf("#\n");
19     }
20 }
```
